Notice Inviting Expression of Interest

1. Background-

The water supply arrangements in rural areas are being done by PHED in the state of MP with assistance of Central Govt under various flagship programs since 1972. Recently Gol has launched "Jal Jeevan Mission" to achieve an ambitious task to provide adequate quantity of drinking water of prescribed quality to 100% households in rural areas. At present drinking water supply in rural areas in the state by PWSS is around 40%, however, the coverage by way of household connections to consumers is even poor, at around 15% - less than national average of 18%. Now, it has been planned to provide 100% households in rural areas with a functional tap connection by 2024 under Jal Jeevan Mission (JJM). The task is humongous, as more than 1.00 crore house holds spread over an area of 308252 sq km are to be catered within a span of 4-years. This is a mission mode program and to expedite the execution, Expression of Interests (EOI) are invited by Engineer in chief, Madhya Pradesh Public Health Engineering Department, JAL Bhawan, Banganga Square, Bhopal - 462001 on behalf of Govt of Madhya Pradesh for Empanelment of Contractors for execution of Piped Water supply Schemes in Rural villages of Madhya Pradesh under Jal Jeevan Mission (JJM). This empanelment is only for Single Village Piped water Supply Schemes and not applicable to works to be executed under MP Jal Nigam Ltd.

2. About Jal Jeevan Mission

Jal Jeevan Mission aims to provide Functional House Tap Connection to every rural household with a minimum water supply service standard of 55 LPCD. The broad objectives of the Mission are

- i. To provide FHTC to every rural household & Govt / Public institutions.
- ii. To monitor functionality of tap connections;
- iii. To promote and ensure voluntary ownership among local community by way of contribution in cash, kind and/ or labour and voluntary labour;
- iv. To ensure sustainability of water supply system, i.e. water source, water supply infrastructure, and funds for regular O&M;
- v. To empower and develop human resource in the sector such that the demands of construction, plumbing, electrical, water quality management, water treatment, catchment protection, O&M, etc. are taken care of in short and long term; and
- vi. To bring awareness on various aspects and significance of safe drinking water and involvement of stakeholders in manner that make water everyone's business.

3. Scope of work

3.1 The assignment envisages execution of various works related to water supply scheme, such as creation of source, laying of pipe lines of different suitable materials, water Treatment Plants, if required, construction of ESR/ GSR, power connection and household connections etc.

The work has to be done in individual villages, in accordance with geographical locations and existing infrastructure that may require all or some of above mentioned works.

3.2 The following categories of schemes will be taken up under Jal Jeevan Mission to achieve 100% FHTC in village.

- i. Retrofitting of existing schemes for the last mile connectivity and make it JJM compliant.
- ii. Execution of Single Village Scheme (SVS) in villages having adequate groundwater/spring water/ local or surface water source i/c treatment of water, if required.
- iii. Mini solar power-based/Single Phase electric motor pump based piped water supply in isolated/ tribal hamlets.

3.3 The contractor/ agency has to drill tube-well/ construct dug-well for source of the schemes, if needed and get power connection from respective electricity companies.

3.4 In case of Installation of Solar Panels/ Pumps, the contractor/ agency have to take services of vendors registered with MP Urja Vikas Nigam Ltd. No other agencies will be allowed.

- 3.5 Materials to be used in execution of piped water supply schemes shall be taken from empanelled make/brand list of Manufacturers/vendors applicable in JJM.
- 3.6 After successful completion and mandatory 3 month trial –run of scheme, the contractor/ agency have to run and maintain the scheme, for 3 month, in which contractor will give training to persons appointed by VWSC to run the scheme. After completion of 3 months, the works will be handed over to Gram Panchayat/ VWSC in working and good condition by the contractor/ agency.

4. Eligibility Criteria

- 4.1 Contractor/agency must be registered in MPPWD as contractor in appropriate category. Those who doesn't fulfill this condition must get themselves registered to be qualified to have any work award. No works will be awarded to those, who do not meet this criterion despite being empanelled. Contractor/Agency must submit valid registration or submit the acknowledgement that he has applied for the same.
- 4.2 **Technical qualifications:** The contractor/ agency must have done the works of water supply and have knowledge of related works. 6. Award of work

- 6.1 EOI submitted in prescribed format with required document on or before closing date will be considered for empanelment process. PHED/SWSM will do the technical evaluation of all the contractors/agencies. Those contractors/agencies which qualify after technical evaluation will be placed in the provisional empanelment list. Based on requirements PHED/SWSM will prepare the Rate contract for various items by issuing "Tender for Rate Contracts for various items" to all the empanelled contractors/agencies and contractors/agencies will apply in the required templates. The proposal will include rate/financial proposal. Based on the lowest cost proposal, a rate contract shall be firmed up. Detail terms and conditions, specifications of works, designs & drawings, and other requirements will be part of tender documents. All those organizations which shall give consent to work on this rate contract, shall be empanelled and intimated to DWSM.
- 6.2 The empanelled contractor/ agency will be awarded the contracts for the works according to their bid capacities as stated hereunder in the districts preferably according to their choices on the basis of rate contract. It is to be noticed that no bidding for individual work will be done separately. The contractor/ agency will have to enter into a tripartite agreement with DWSM and concerning GP/ VWSC.

The award capacity for the work(s) shall be calculated on following basis:

$$\text{Award capacity} = A \times N \times M - B$$

Where,

'A' is maximum value of works executed in any one year during the last five years (10% weightage per year shall be given to bring the value of work executed at present price level)

'N' is number of years prescribed for completion of the works to be awarded (period up to 6 months to be taken as half-year and more than 6 months as one year),

'M' is taken as 2 and

'B' is the value, at the current price level, of existing commitments and on-going works of the bidder.

Detail selection criteria shall be part of the "Tender for Rate Contracts for various items".
